I'm sure we'll have a few good
laughs before we completely
lose our minds.
Always be good + keep smiling -
Good Luck + God Bless -
Love Always, #1 of the magnificent 7

Dear Rich,
Good luck in all

all the fun we
had with Mr. Keatner.
Always keep your friendly
personality. God's blessing
I am always -
Lynne

Foremost in the minds of many juniors was the planning of this year's Junior-Senior Banquet, made a success by their creativity and hard work. To finance the banquet, the Junior Class sponsored a number of fund-raising projects: a bake sale, a pancake supper, a paper drive, an all-school party, and a car wash. SEASONED SOPHOMORES RETURN

John Sebeck, *President*

Janeen Wagner, *Vice-President*

The Sophomore Class has completed their second year of attending Luther, and they have shown the characteristics of a successful class. "Take a Giant Step," the frosh-soph party, gave battle-worn sophomores the opportunity to pass on survival techniques to freshies. Another major activity of this energetic class was an ice-cream social, a boost to their treasury and an altogether enjoyable event. Half of their high school career over, they have proven themselves an asset to the functioning of Luther High North.

CLASS COUNCIL: *First row:* G. Arendt, J. Sebeck, J. Antemann, J. Wagner. *Second row:* C. Mix, S. Hubbard, D. Nardulli, B. Skodacek, K. Laird, K. Hajduk, P. O'Kelly, P. Bowler. *Third row:* S. Dreisbach, K. Adams, K. Crasswaller, B. Cooper, G. Tonn.

FRESHMEN MISS MORNING RECESS

Chris Mortensen, *President*

Roland Filippi, *Vice-President*

CLASS COUNCIL: *Row 1:* R. Filippi, A. Mitchell, C. Fioritto, C. Mortensen. *Row 2:* C. Simpson, D. Hopkins, M. Karsel, H. Florez, N. Goehrke, B. Krock, Mr. Brutlag, Advisor.

Beginning with Freshman Orientation, the Class of '71 embarked upon their voyage of experience at Luther. Included in their main projects were electing their first class officers, homeroom representatives, and members of Student Council. At the Frosh-Soph party they came in contact with last year's veterans who had already learned the ropes concerning jammed lockers, finals, and football and basketball games. Because freshmen have so many new situations and responsibilities to meet, their first year may prove to be bewildering but rewarding.

Just as a ship has its officers, Luther has its faculty. All of our teachers are well-qualified and well-versed in the subjects they instruct. Although no two teachers use the same teaching techniques, each one is confident that his approach gives the individual student the best opportunity to learn. From the Social Studies Department the student learns to understand other people. From the Mathematics Department he learns to think logically. From the Science Department he learns about the nature of the world around him. From the Language Department he learns to express himself. From the Fine Arts Department he learns to develop his God-given talents. And most important, from the Religious Department he learns of God's marvelous plan of salvation.

LUTHER STUDENT LIFE COMMITTEE

The main objective of Luther L.S.L. is to promote Christian love between students here at Luther. By counseling violaters of school rules, the members of the L.S.L. try to instill Christian responsibility into the Student body. After two years of allowing all students to bring offenders before the L.S.L., this responsibility has been given to only Seniors as part of an improved Senior program.

STUDENT COUNCIL

Freshman Orientation, Homecoming, and the Spring Fling are among the activities annually sponsored by the Student Council. In addition it is responsible for the less popular locker checks. Student Council, most important of the student government organizations, endeavors to co-ordinate and unify the activities of the student body as a whole and functions as a link in communication between the students and the faculty.

Members of this year's LOG staff consider themselves a privileged group. They alone have the opportunity to experience the gratification of trying to extract overdue patron books and questionnaires from seniors, the wonder of being consistently turned down in selling business patronages, the exhilaration of organizing chaotic mountains of underclassmen pictures, the bliss of missing deadlines, and finally the utter astonishment of seeing the LOG emerge.
